12. TURKEY ENERGY SUMMIT

Organized under the auspices of the Ministry of Energy, Turkey Energy Summit unites senior level representatives of public institutions and organizations of Turkey and regional countries with more than 1,500 national and international participants every year. Becoming a tradition as the “Biggest Gathering” of Turkey’s energy markets, Turkey Energy Summit is the first summit that gathers the power, natural gas, fuel and LPG markets under the same roof.

While contributing to the future projections of the participants and the decision makers, the Turkey Energy Summit aims to offer opportunities for establishment of new collaborations in the region.

Why Become a Sponsor

● Gather with the sector professional

The sponsors of the Summit will have the opportunity to directly contact and reach more than 1,500 national and international professionals of the energy sector. The Summit will also enable the exchange of information and building business collaborations by bringing all the stakeholders of the sector together.

● Strengthen your brand image

Being a sponsor will contribute to strengthen your corporate image by enabling all institutions and organizations participating in this biggest gathering of the sector to recognize your products and services at first hand.

● Improve your visibility

Through the wide participation of the media, especially of the national and sectoral press, your brand visibility in the media will increase. Your brand will be closely associated with the summit.
